# POP-UP BOXES

The most elegant and functional solution for all surfaces

With exclusive features and an elegant design, the new POP-UP boxes bring together ease of use and installation elegance.

The structure in 5 different finishes, compact and extremely thin, perfectly integrates with all working environments.

## EXTRA-SLIM DESIGN

Elegant solution with "extra slim" design, with a protrusion of only 5 mm from the flush mounting surface.

## PUSH & SLIDE COVER

Patented system with controlled opening for maximum safety in floor installation.

## DESKTOP AND FLOOR INSTALLATION

Installable both in floating or concrete surfaces and floors, it can be completed with 4 modules of the MÀTIX or LIVINGLIGHT range.
